BEING DIGITAL IN A HISTORICAL SETTING

BEING DIGITAL IN A HISTORICAL SETTING

In exclusive ambiance of Palais Lower Austria, we warmly welcome you and present our innovative technology solutions under the name "Studio 13." This name derives from our address at Herrengasse 13, right in the heart of Vienna. Experience the technology of tomorrow with us!

All-In Service

With our "Studio 13," your event becomes an unforgettable experience - whether in front of an audience, online, or even as a hybrid event. We provide state-of-the-art technical solutions for every occasion in a historical setting.

DIGITAL IN HISTORICAL AMBIENCE

Digital is the new analog. In the event industry, the digital age has long since arrived. From hybrid events to fully organized online events. Our modern event technology transforms each of our event spaces into your personal "Studio 13"!

Are you planning a product presentation, conference, or sales meeting with your national or international team? Whether online, hybrid, or "classic" on-site - we not only provide the exclusive ambiance but also the technical equipment. Let our all-inclusive service convince you!
